

**Eur. Ing. Dr. J. Scott Younger, OBE PhD MS CEng FICE FLS**

With degrees in Engineering from Glasgow, UC Berkeley and Hong Kong, Dr Younger is a recognized leader in infrastructure development across Asia, having held a range of senior academic, consulting and business development roles in Hong Kong, Thailand and Indonesia over the past 33 years. He has served as project manager and consultant in many World Bank and ADB funded road and water sector programs, and was Team Leader for the UK and World Bank funded, award winning Master's Degree program in Highway and Transport Engineering at the Institute of Technology Bandung, 1986-93.

He serves as President Commissioner of PT Nusantara Infrastructure Tbk and as Commissioner for the East Bali Poverty Project, a model in sustainable development. In 2003 he was awarded the OBE. Dr. Younger is President Commissioner of Glendale Partners, a leading infrastructure, natural resources, renewable energy and consulting firm based in Jakarta, Indonesia, and Member of the Board of the British Chamber of Commerce and Senior Vice-Chairman of the International Business Chamber, with a particular remit to report in infrastructure.

He has published many papers in the field of infrastructure and is a regular speaker at conferences and on discussion panels. He is also a regular columnist of the regional business magazine *Globe Asia*, an Honorary Research Fellow of Glasgow University and Fellow of the Linnean Society.
